### "Penguin Riff"

When he was just a little boy  
His parents bought him a cool toy  
It was called a penguin riff  
But one day it flew off a cliff

The little penguin didn't know what to do  
But in his dreams he flew  
So he decided to give it a shot  
He jumped off the cliff on the spit

And down down down he fell  
Like money that was thrown down a well  
And his life shot in him with a flash  
As he hit the water with a splash

In the water yes he sat  
Wishing he was just like a bat  
Then one second after a cough  
Like a plane he just took off

And high high high he flew  
How he did it nobody knew  
Over the cliff where he lost his riff  
He soared into the air

And high high high into the sky  
Like he'd be flying all of his life  
And so kordoble took stance  
And invented the penguin dance  
(Lets Go! )
