In a darkened room
Beyond the reach of God's faith
Lies the wounded, the shattered
remains of love betrayed
And the innocence of a child is bought
and sold
In the name of the damned
The rage of the angels left silent
and cold

Forgive me please for I know not
what I do
How can I keep inside the hurt
I know is true

Tell me when the kiss of love
becomes a lie
That bears the scar of sin too deep
To hide behind this fear of running
unto you
Please let there be light
In a darkened room

All the precious times have been put
to rest again
And the smile of the dawn
Brings tainted lust singing my requiem
Can I face the day when I'm tortured
in my trust
And watch it crystalize
While my salvation crumples to dust

Why can't I steer the ship before
it hits the storm
I've fallen to the sea but still
I swim for shore

Tell me when the kiss of love
becomes a lie
That bears the scar of sin too deep
To hide behind this fear of running

unto you
Please let there be light
In a darkened room
