This is the moment; this is the day
When I send all my doubts and demons on their way.
Every endeavor I have made ever... Is coming into play;
is here and now today.
This is the moment, this is the time When the
momentum and the moment are in rhyme.
Give me this moment, this precious chance; I'll gather
up my past, and make some sense at last.
This is the moment when all I've done; All of the
dreaming, scheming and screaming become one.
This is the day ? see it sparkle and shine When all I've
lived for becomes mine.
For all these years I've faced the world alone; And now
the time has come to prove to them I've made it on my
own.
This is the moment, my final test; Destiny beckoned, I
never reckoned second best.
I won't look down; I must not fall; This is the moment,
the sweetest moment of them all.
This is the moment, damn all the odds; This day or
never I sit forever with the gods.
When I look back I will always recall , This was the
moment; Moment for moment, The greatest moment of
them all.
