Verse 1

Where Is This And Where'd You Go
She Told Me this As I Walked Out the Door
Stuck With The World Hanging on my back
Hoped One Day We Could Make It Last
Not today Perhaps but tomorrow we could
Sit together as We should
Move as one and Breathe Together
Storm Through all types of Weather
She Told Me

Chorus

Find True Love The Fairytale kind
Stuck back Here In A Waiting Line
Trying To Find What Happened Here
Yours is the heart that I hold Dear
Move in Me As I move In You
Take Life easy and Know love True
Cause How I feel Wont Ever Change
Goin home to the Girl with a Pretty Name

Verse 2

She Started to cry when I had to leave
She said please sweetheart come home to me
Said without you I find it hard to breathe
And without you the world is nothing to me
Your something to me and that cannot change
No matter the distance I'll stay the same
So when you sit so far away
Remember the times of us ok

Chorus

Find True Love The Fairytale kind
Stuck back Here In A Waiting Line
Trying To Find What Happened Here
Yours is the heart that I hold Dear
Move in Me As I move In You
Take Life easy and Know love True
Cause How I feel Wont Ever Change
Goin home to the Girl with a Pretty Name

Verse 3 4/BRIDGE

With so much to see a future with me
If you were cast away I would swim the whole sea
If I were back today I would Lose the ole me
No more puffin L's or sippin OE's
Dippin on D's Girl I'm Smittin On Thee
Fact your beauty's more than written on jeans
If your love was drugs I would Push a Whole key
I'm comin back home just be waiting for me

Hey Pretty Girl it's Bin about a minute
Thought I wouldn't come back to you forget it
I made you a promise to come back home
It's bin a while since I came back home
But I'm here now come give me a hug
Let me show to you I still got love
I've been all around the world seen lots of girls
Only one lady with a pretty name for my world

Chorus

Find True Love The Fairytale kind
Stuck back Here In A Waiting Line
Trying To Find What Happened Here
Yours is the heart that I hold Dear
Move in Me As I move In You
Take Life easy and Know love True
Cause How I feel Wont Ever Change
Goin home to the Girl with a Pretty Name

Verse 5

Remember me when I'm far away
Sit back home don't leave just wait
I won't forget the times we've shared
This song was just to show that I care
Move in me as I move In You
Take Life easy and know love true
Cause How I Feel wont ever change
I'm comin home to the girl with a pretty name
