She's a dancer, a romancer  
I'm a Capricorn and she's a Cancer  
She saw my picture in a music magazine

When she met me, said she'd get me  
She touched her hips and told me that she'd let me  
I took her hand, baby, this is what I said

I said, baby, baby, don't you hesitate  
'Cause I just can't wait  
And lady, won't you take me down on my knees?  
And you can do what you please, c'mon and love me

I'm a man, I'm no baby  
And you're lookin' every inch a lady  
You're good lookin' and you're lookin' like you should  
be good

You were distant, now you're nearer  
I can feel your face inside the mirror  
The lights are out and I can feel you, baby, with my  
hands

So baby, baby, don't you hesitate  
'Cause I just can't wait  
And lady, won't you take me down on my knees?  
You can do what you please, c'mon and love me

C'mon and love me, c'mon and love me  
C'mon and love me

Baby, baby, don't you hesitate  
'Cause I just can't wait  
And lady, won't you take me down on my knees?  
And you can do what you please, c'mon and love me

C'mon and love me, c'mon and love me  
C'mon and love me, c'mon and love me  
C'mon and love me, c'mon and love me  
C'mon and love me, c'mon and love me

C'mon and love me, c'mon and love me

C'mon and love me, c'mon and love me  
C'mon and love me, c'mon and love me  
C'mon and love me, c'mon and love
