

Skid Row "Eileen"

Visit "[Eileen](#)" on MotoLyrics.com

There are things we cannot see that hang
Within her sight
There are people we won't remember that
Dance with her at night

Eileen's calling me
To sit awhile and talk to trees
Eileen can't you see
The songs you sing are scaring me

Eileen, Eileen

She's romancing with the moon
Full and alone
It's really a street light
It's something we all know

Eileen's calling me
To sit awhile and talk to trees
Eileen can't you see
The songs you sing are scaring me

Eileen, Eileen

Eileen...

There are things we cannot see that hang
Within her sight
It's really a street light
It's something in her night

Eileen she's calling me
To sit awhile and talk to trees
Eileen can't you see
The songs you sing are scaring me

Eileen's calling me
To sit awhile and talk to trees
Eileen, oh can't you see
The songs you sing are scaring me

Eileen, Eileen...

I,
I know what she knows
I know what she knows
I know what she knows
I know what she knows
