Woman, you gotta believe me,  
I'm doing the best that I can.  
Why can't you be with me,  
Not like any other man.  
Told me, do all those sweet things  
That you want me to do.  
First thing in the morning  
I wanna make love to you.

Woman, you gotta believe me,  
If I told you that I care.  
Brush my teeth before I go to bed  
So you know that I'm ok.  
Crisp to you all those sweet things,  
Some are old and some are new.  
The first thing in the morning  
I wanna make love to you.

Woman, now you tell me  
You believe everything that I say.  
I respect you as a person  
And not just a good lay.  
Just to prove it to you,  
I'll tell you what I'll do.  
First thing in the morning  
I wanna make love to you.
