(Brendan "Brush" Shiels/Noel Bridgeman/Gary Moore)

If you should change your mind,
I won't be sleeping.
If you show the world,
I'll stay awake all night.
I'm easy if you are.
I'm easy if you are.

If you show the world,
The light is in the window.
If you show the world,
The key is in the door.
I'm easy if you are.
I'm easy if you are.
I'm easy if you are.

I'm the one who will be heard,
'cause you lied with every kiss.
Never would I speak a word
To anyone of this.
Never would I say to you, "Go"
"Go, and don't come back."
No one ever loved as you, believe me.
Hey, hey, that's a fact.

Well, it's no easier,
Trying to hide my pain.
And it's no easier,
Waiting for you to come back again.
And it's no easier, it's no easier,
It's no easier, no.

I'm the one who will be heard,
'cause you lied with every kiss.
Never would I speak a word
To anyone of this.
Never would I say to you "Go home",
"Go and don't come back."
No one ever loved as you, believe me.
Hey, hey, that's a fact.

But, it's no easier,
Trying to hide my pain.
And it's no easier,
Waiting for you to come back again.
And it's no easier, it's no easier,
It's no easier, no.
