I think today, don't let the light shine in.  
Because I don't know where I'm goin',  
But it's some place I ain't been.  
And I don't wanna see the faces  
Of the people in the streets.  
I wanna get out of town,  
Baby, let the man chase ingognito.  
I'm having such a bad time,  
Almost losing my mind,  
Trying to shake off this crazy woman of mine.

She's a mad dog woman  
With distemper in her mouth.  
Well, she must have seen me coming,  
'cause I'm here and I can't get out.  
And she knows I've tried to leave her  
And she's out to get me back.  
Don't put me, got to believe  
It's not the courage that I lack.  
I'm having such a bad time,  
Almost losing my mind,  
Trying to shake off this crazy woman of mine.

Mad dog on the loose.  
Mad dog on the loose.  
Mad dog on the loose.  
Mad dog on the loose.

Mad dog on the loose.  
Mad dog loose.  
Mad dog on the loose.  
Mad dog.  
Mad dog on the loose,  
Mad.

Mad dog on the loose.  
Mad dog on the loose.  
Mad dog on the,  
Mad dog on,

Mad dog.

Mad dog on the loose,  
Hands are wearing other mens gloves.  
She got a face like an angel,  
Sapphire foxy nose.  
She's got two legs instead of four,  
Hands instead of paws.  
No harm by her flashy nails.  
Vengeance quicker than pulse.  
I'm having such a bad time,  
Almost losing my mind,  
Trying to shake off this crazy woman of mine.
