Ohh ya  
A'right  
Take it up

T Bone Billy just a singin' the blues he caught his lady  
with another man  
Lit up a smoke and did some talkin' with the back of his  
hands  
Smack  
She started shakin' started losing her mind  
But he was kicking back and playing it cool  
Signed her walkin' papers took the 5:15 to Kalamazoo  
Sing for your supper, but nobod' rides for free  
Eat your heart out send a C O D  
Ya

One, two baby, what you do?  
Three, four let me show you the door  
You're better off dead than makin' a mess of me  
Five, six take your last licks  
Seven, eight I'm gonna give it to you straight  
You're better off dead than makin' a mess of me

Now Billy boy's out havin' a ball playin' fiddle at the  
local bar  
The dark shades, cool kicks he's the Hollywood  
Boulevard  
Slick daddy with his fat cigar sayin, 'Sign upon the  
dotted line'  
He shook his head and said, "All I need is that fiddle of  
mine thats all"  
Sing for your supper, nobod' rides for free  
But take your big time off so you can roll of m-m-me,  
m-m-me ya

One, two baby, what you do?  
Three, four let me show you the door  
You're better off dead than makin' a mess of me  
Five, six take your last licks  
Seven, eight I'm gonna give it to you straight  
You're better off dead than makin' a mess of me

Say, trouble keeps knockin'  
But Billy keeps a rockin', like this  
Ooa

Sing for your supper, nobody rides for free

Sing for your supper, nobody rides for free  
Take your bits out I'll take you to m-m-me, m-m-me, m-  
m-me, yea

One, two baby what you do?  
Three, four let me show you the door  
You're better off dead than makin' a mess of me  
Five, six take your last licks  
Seven, eight I'm gonna give it to you straight  
You're better off dead than makin' a mess of m-m-me

One, two baby what you do?  
Ooo  
You're better off dead than makin' a mess of me  
Five, six take your last licks  
(Later)  
You're better off dead than makin' a mess of  
Mess of, mess of, me, yea

Make a mess of me and you'll be the  
Biggest mess you may ever made, ha, ha
