(Brendan "Brush" Shiels)

Don't ask me if I'll ever leave you lonely,
I couldn't bear to think how you might feel.
Ask me if I will always love you only,
And I will answer you with a love so real.

'Cause you're the only love I've ever had.
You're the only one who makes me sad and glad.
And I never wanted to be any other way.

Don't ask me if I'll act like I've never met you,
Nothing could be further from my mind.
Ask me if I will never ever forget you,
And I'll say no, not even at the end of time.

'Cause you're the only love I've ever had.
You're the only one who makes me sad and glad.
And I never wanted to be any other way.

Smile, please won't you smile?
Oh, I'll only be gone for suppers a while.
Hm, oh no, oh, oh.

Don't ask me if I'll ever take another,
Could hurt me more than you'll ever know.
Tell me how, how could I ever love any other?
My heart belongs to you such a long time ago.

'Cause you're the only love I've ever had.
You're the only one who makes me sad and glad.
And I never wanted to be any other way.

No other way.
Not any other, other way.
Not any other way.
