[Brand New Funk]

Get down, brand new funk, hit it

Get down, brand new funk, hit it

:

It's new, it's out of the ordinary

It's rather extraordinary, so yo bust this commentary

A literary, genius, and a superior beat creator

Have come together, and we made a

Musical composition which we think is a remedy

To cure all the dance floors that's empty

You wanna dance? We got what you want

Jazzy Jeff and Fresh Prince bustin out with the brand

new funk

[Brand New Funk -vs- Summertime]

Summer, summer, summertime (get down, brand new
funk, hit it)

Time to sit back and unwind (get down, brand new
funk, hit it)

Summer, summer, summertime (get down, brand new
funk, hit it)

Time to sit back and unwind (get down, brand new
funk, hit it)

[Summertime]

Here it is the groove slightly transform

Just a bit of a break from the norm

Just a little somethin to break the monotony

Of all that hardcore dance that has gotten to be

A little bit out of control, the monotony

A little bit out of control, the monotony

A little bit out of control, the monotony

A little bit out of control, the monotony

[Girl's Ain't Nothin' But Trouble]

Listen homeboys don't mean to bust your bubble

But girls of the world ain't nothing but trouble

So next time a girl gives you the play

Just remember my rhymes and get the hell away

[You Saw My Blinker]

You saw my blinker...

[Boom! Shake the Room]

Boom! shake-shake-shake the room

Boom! shake-shake-shake the room

Boom! shake-shake-shake the room

Tic-tic-tic-tic Boom!

(Yeah)

Boom! shake-shake-shake the room

Boom! shake-shake-shake the room

Boom! shake-shake-shake the room

Tic-tic-tic-tic Boom!

(Yeah)

Yo Jeff, yo Jeff

Yo Jeff, yo Jeff

:

[Brand New Funk]

Now get funky with the beat

..

Yo baby you know what's up

Girl you can call me up

Yo baby you know what's up

:

[Ring My Bell]

You could come and ring my bell

:

...come and ring my beeeeeeeeeeeell

Ring my bell, my bell

Ring my (ring it), ring my (ring it) beeeeeeeeeeeell

Ring my bell, my bell

Ring my ring my ring

[I Wanna Rock]

Now I'm the Prince an' ask Jezzy Jeff

We shown for years that we are def

But here's some more for y'all just come an' get it

Rip the wheels Jay (did it)

:

I wanna rock right now (say what now?)

I wanna rock right now (break it up form Jeff)

I wanna rock right now (say what now?)

I wanna rock right now (slow it down a little)

I wanna rock right now (say what now?)

I wanna rock right now (say what now?)

I wanna rock right now (say what now?)

[A Nightmare On My Street]

That began the nightmare, but on my street

[Parents Just Don't Understand]

You know parents are the same no matter time nor
place

They don't understand that us kids are gonna make
some mistakes

So to you, all the kids all across the land

There's no need to argue parents just don't understand
