Tricky little Vicky walks along south street
She learned her French from the boys that she'd meet
I gotta laugh when I hear them say
She's a sweet little cheese when the cat's away

I know what you been tryin'
What you got ain't worth buyin'
Can't make livin' workin' door to door

Shake, shake, shake it like a rattlesnake
Boom, boom baby out go the lights
Shake, shake, shake it like a rattlesnake
Stayin' up late, doin' the rattlesnake shake

Juicy Miss Lucy always diggin' on junk
She's on the corner talkin' trash with the punks
Her buried treasure is so easy to see
'Cause talk is cheap and so is she

You're lost in search of passion
But prince charmin' ain't in fashion
So let it bleed if you wanna stay

Shake, shake, shake it like a rattlesnake
Boom, boom baby out go the lights
Shake, shake, shake it like a rattlesnake
Stayin' up late doin' the rattlesnake shake

Shake, shake, shake it like a rattlesnake
Boom, boom baby out go the lights
Shake, shake, shake it like a rattlesnake
Stayin' up late doin' the rattlesnake shake

Shake, shake, shake it like a rattlesnake
Boom, boom baby out go the lights
Shake, shake, shake it like a rattlesnake
Stayin' up late doin' the rattlesnake shake
