Jesus he knows the story, he knows the position that I'm
in

A hooker knows the feeling to get f**ked the way I've
been

Turn my insides out; your mouth drank my water

You, you look at me like I'm subhuman

You, you talk to me like I'm subhuman

You, you're treating me like I'm subhuman

You are jumping into the subhuman race

Brothers hear my story, but don't you take no pity out
on me

A soldier knows the feeling to be pushed out in a field

Taking liberties; burned by your dictation

You, you look at me like I'm subhuman

You, you talk to me like I'm subhuman

You, you're treating me like I'm subhuman

You are jumping into the subhuman race

You, you look at me like I'm subhuman

You, you talk to me like I'm subhuman

You, you're treating me like I'm subhuman

You, you

Look at me like I'm subhuman

Talk to me like I'm subhuman

You're treating me like I'm subhuman

Jumping into the subhuman race
