

## Skid Row "Sweet Little Sister"

Visit "[Sweet Little Sister](#)" on [MotoLyrics.com](http://MotoLyrics.com)

She blew my mind like a wreckin' machine  
She was a shipload of trouble called the subway queen  
Had a hip with bad habits and a shake that was a bit  
obscene

One night I caught her runnin' out the cellar door  
There was about a million people, lyin' flat on the floor  
For such a sweet little lady, I would swear she's rotten  
to the core

She got her hands in the cookie jar  
Smilin' like an alligator  
Makin' headlines in the back of her car  
Tight-lipped now but sink ships later

Well I know a thing or two about, sweet little sister  
Her mama kill her if she knew what she doin' tonight,  
sweet little sister  
She'll love you black and blue, sweet little sister  
She's Mona Lisa with a new tattoo  
She's my sweet little, sweet little sister

Every quittin' time is another disease  
Too many cowboys ridin' high, shootin' low at the knees  
The back hand boogie is the price you pay for bein' the  
squeeze

The pettin's gettin' heavy got her tongue in her ear  
Her friend is doin' time for kickin' ass on a queer  
They're in a mental state and all their friends are here

She's tellin' lies through her burgundy lips  
Angel on a mission of mercy  
She'll get you dancin' with the crack of her whip  
Take you up to Heaven in her rocket ship

I know a thing or two about, sweet little sister  
Her mama kill her if she knew what she doin' tonight,  
sweet little sister  
She'll love you black and blue, sweet little sister  
She's Mona Lisa with a new tattoo  
She's so sweet, sweetest little

She got her hands in the cookie jar, smilin' like an  
alligator  
Makin' headlines in the back of her car  
Tight-lipped now but sink ships later

I know a thing or two about, sweet little sister  
Her mama kill her if she knew what she doin' tonight,  
sweet little sister  
She'll love you black and blue, sweet little sister  
She's Mona Lisa with a new tattoo  
She's my sweet little, sweet little sister  
Yeah, yeah, yeah, yeah
