Iâve been convicted with and  
without reason  
Tarred and feathered like a piper on  
a killing spree  
And felt the anger of generations  
And been the target of the cheap shots  
of authority

So you think you cut me down to size  
Well thereâs something you  
should realize  
Itâs gonna take more than a break  
in the law  
To make me smile pretty for the  
wreckinâ ball

Wonât beg, wonât bleed  
The end of sacrifice is a threat  
to society  
Hard line, youâll see  
Once youâve made a mark, youâve  
made a threat to society

I wasnât put here to be treated  
Like some disease you hoped would go  
away if left alone  
You can sweep me under the carpet  
But, Iâll still infect your need to use me  
as a steppinâ stone

So you think you cut me down to size  
Well thereâs something you  
should realize  
Itâs gonna take more than a break  
in the law  
To make me smile pretty for the  
wreckinâ ball

Wonât beg, wonât bleed  
The end of sacrifice is a threat  
to society  
Hard line, youâll see

Once you've made a mark, you've  
made a threat to society

So you think you cut me down to size  
Well there's something you  
should realize  
It's gonna take more than a break  
in the law  
To make me smile pretty for the  
wreckin' ball
