Well, I tell all you pretty girls.  
Hey, all you pretty girls  
With your pretty faces.  
Yeah, I wanna tell all you pretty girls.  
Mm, all you pretty girls  
With your pretty faces.  
You know, do you ever meet these girls, baby.  
Ho, but I say nothing and made no mistakes.

I got a job in a showband.  
Working like a slave  
Six nights and every Sunday.  
Yeah, yeah, yeah.  
You know they put me,  
Put me on a weekly wage.  
But I say nothing, no, and made, made no mistakes.

I got a job in a showband.  
Working like a slave  
Six nights and every Sunday.  
Tadda-da, tadda-da, tadda-da,  
Tadda-da, tadda.  
Baby, baby, hey I'm old,  
Do you ever meet, ever meet these girls.  
But I say nothing and never made my big mistake.
