Oh yeah, since I was born  
They couldn't hold me down  
Another misfit kid, another burned-out town

I never played by the rules  
I never really cared  
My nasty reputation takes me everywhere

Well, now I look and see, it's not only me  
So many others have stood where I stand  
We are the young so raise your hands

They call us problem child  
We spend our lives on trial  
We walk an endless mile  
We are the youth gone wild

We stand and we won't fall  
We're the one and one for all  
The writing's on the wall  
We are the youth gone wild

Boss screamin' in my ear 'bout who I'm supposed to be  
In a 3-piece Wall Street smile  
And son you'll look just like me

I said "Hey man"  
There's something that you outta know  
Park Avenue leads to Skid Row

Well now I look and see it's not only me  
We're standin' tall, ain't never a doubt  
We are the young so shout it out

They call us problem child  
We spend our lives on trial  
We walk an endless mile  
We are the youth gone wild

We stand and we won't fall  
We're the one and one for all  
The writing's on the wall

We are the youth gone wild

Well lemme hear ya wild!

They call us problem child  
We spend our lives on trial  
We walk an endless mile  
We are the youth gone wild

We stand and we won't fall  
We're the one and one for all  
The writing's on the wall  
We are the youth gone wild

Whoa, whoa, whoa  
We are the youth gone wild!  
Whoa, whoa, whoa  
We are the youth gone wild!

Yeah, yeah, yeah  
We are the youth gone wild!  
Whoa, whoa, whoa  
We are the youth gone
