Hell waits for everyone
It's not a question of belief
We've sold our souls now we will burn for it

So give us damnation
Eternal suffering
We sought salvation
when there was nothing left to save

We'll watch the heavens burn tonight
Praying for an answer
When our salvation is death
As dying voices fade
We're given something to believe

Hell waits for everyone,
And it will call us each by name,
To take us home
Now we will burn for it

So give us damnation
Eternal suffering
We sought salvation
When there was nothing left to save

We'll watch the heavens burn tonight
Praying for an answer
When our salvation is death
As dying voices fade,
We're given something to believe

So pray for us all
pray for us all

We'll watch the heavens burn tonight
Praying for an answer
When our salvation is death
As dying voices fade,
We're given something to believe

We'll watch the heavens burn tonight

Praying for an answer
When our salvation is death
As dying voices fade,
We're given something to believe

yeah
