"Deliverance"

The end of days is upon us.
Come Armageddon, there's no hope for redemption.
We are the souls you cannot save.
We've carried this burden for so long, and lost every to
carry on.

They're dying to save us from ourselves.
Our hope for salvation lost.
Unwilling to die to live again.

Bless me father.
I have sinned, forgive my indiscretions.
I will deny what you've made me, and never question
why.
Conform to the truths they've created,
the path of redemption we've suffered for.

They're dying to save us from ourselves.
Our hope for salvation lost.
Unwilling to die to live again.
