(muffled/distorted)
Suffer for my sin
A thirst I cannot satisfy
This is the end
I will be born again

In death
we are as one
Infested with disease, I want to see your eyes
The moment your mortality is realized

In death
We'll suffer more
Skin torn open wide, I wanna watch you bleed
Until you can no longer feel the agony in death
In Death

Suffer for my sin(sins)
A thirst I cannot satisfy(sins)
This is the end
I will be born again in death

Suffer for my sin(sins)
A thirst I cannot satisfy(sins)
This is the end
I will be born again

In Death
We are as one
Your pain has become mine, because I no longer feel
You've shown me the frailty of human life

In death
We'll suffer more
Skin torn open wide, I wanna watch you bleed
Until you can no longer feel the agony in death

Suffer for my sin(sins)
A thirst I cannot satisfy(sins)
This is the end
I will be born again in death

Suffer for my sin(sins)
A thirst I cannot satisfy(sins)
This is the end
I will be born again in death
