"Rapture"

Give us the death of creation
Bring famine, flood and plague
To end our tortured existence
Let us suffer forevermore

Suffer forevermore
Suffer forevermore

We forged this path of resistance
And died for an empty cause
When there was nothing to live for
Let us suffer forevermore

Suffer forevermore
Suffer forevermore

Is this the reason we bleed?
We never thought to question why
A life lived in fear seems so meaningless
Open your eyes
Is this what we've suffered for?
Hopeless and self-deprived, we are forever discontent

(Instrumental)

Is this the reason we bleed?
We never thought to question why
A life lived in fear seems so meaningless
Open your eyes
Is this what we've suffered for?
Hopeless and self-deprived, we are forever discontent
