Become the opposition
The cancer feeding from within--A parasite

We're met with such strong resistance
They've built these walls to hold us back
Let us burn them to the ground

We raise our voices in protest
We welcome death, and you can't kill us all
We raise our voices in protest
We welcome death, and you can't kill us all

Become the opposition
The sin still coursing through our veins--The
blasphemous

We're met with such strong resistance.
They tied our hands behind our back
Watched in silence as we drown

We raise our voices in protest
We welcome death, and you can't kill us all
We raise our voices in protest
We welcome death, and you can't kill us all

(Instrumental)

Become the opposition
A cancer feeding from within--A parasite

We're met with such strong resistance
They've built these walls to hold us back
Let us burn them to the ground

We raise our voices in protest
We welcome death, and you can't kill us all
We raise our voices in protest
We welcome death, and you can't kill us all

You can't kill us all
