Eyes, like a sunrise  
Like a rainfall down my soul  
And I wonder,  
I wonder why you look at me like that  
What you're thinking, what's behind  
Don't tell me, but it feels like love

I'm gonna take this moment  
And make it last forever  
I'm gonna give my heart away  
And pray it will stay together  
Cause you're the one good reason  
You're the only girl that I need  
Cause you're more beautiful than I have ever seen  
I'm gonna take this night and make it Evergreen

Touch, like an angel  
Like velvet to my skin  
And I wonder, I wonder why you wanna stay the night  
What you're dreaming, what's behind  
Don't tell me but it feels like love

I'm gonna take this moment  
And make it last forever  
I'm gonna give my heart away  
And pray it will stay together  
Cause you're the one good reason  
You're the only girl that I need  
Cause you're more beautiful than I have ever seen  
I'm gonna take this night and make it Evergreen

We could make it last forever more  
Don't tell me but it feels like love

I'm gonna take this moment  
And make it last forever  
I'm gonna give my heart away  
And pray it will stay together  
Cause you're the one good reason  
You're the only girl that I need  
Cause you're more beautiful than I have ever seen

Iâ€™m gonna take this moment  
Make it last forever  
Iâ€™m gonna give you my heart away  
And pray it will stay together  
â€™Cause youâ€™re the one good reason  
Youâ€™re the only girl that I need  
â€™Cause youâ€™re more beautiful than I have ever seen  
Iâ€™m gonna take this night and make it Evergreen

And make it Evergreen
