Oh

Power is another word that I use to describe You
Your mighty winds come in and blow me away
Frightening, coming at me like lightning
It's You that I fear, yeah, yeah
I shake whenever You speak my name

And I'm surrounded
You overpower me

You're a silent rage, you're a hurricane
You are everything I cannot see and can't explain
You're an enigma wrapped in a mystery
Everywhere I go, I can't escape Your energy

Oh

Divine is a reality that You define
You defy time
I see You in everything in fire and wind and rain
Captured is just the word to capture how I feel when I
still
You are what I crave
You set me free I want to be Your slave
And I'm surrounded
You overpower me

You're a silent rage, you're a hurricane
You are everything I cannot see and can't explain
You're an enigma wrapped in a mystery
Everywhere I go, I can't escape Your energy

I can't escape Your energy [8x]

Oh

Power is another word that I use to describe You
Your mighty winds come and blow me away

You're a silent rage, you're a hurricane
You are everything I cannot see and can't explain

You're an enigma wrapped in a mystery
Everywhere I go, I can't escape Your energy

I can't escape it
I can't escape, no, no, no, no, etc...
Everywhere I go, I can't escape Your energy

Oh
