Tonight I'm so alone  
This sorrow takes ahold  
Don't leave me here so cold  
Never want to be so cold  
Your touch used to be so kind  
Your touch used to give me life  
I've waited all this time, I've wasted so much time  
Don't leave me alone  
Cause I barely see it all  
Don't leave me alone, I'm

Falling in the Black  
Slipping through the cracks  
Falling to the depths can I ever go back

Dreaming of the day it used to be  
Can you hear me?  
Falling in the Black  
Slipping through the cracks  
Falling to the depths can I ever go back  
Falling inside the black  
Falling inside, falling inside, the black

You are my source of strength  
I've traded everything  
That I love for this one thing
