[V1]

Forgive me now cause I
Have been unfaithful
Don't ask me why cause I don't know

So many times I've tried
But was unable
But this heart belongs to you alone

[Chorus]

Now I'm in our secret place
Alone in your embrace
Where all my wrongs have been erased
You have forgiven

All the promises and lies
All the times I compromise
All the times you were denied
You have forgiven

[V2]

Forgive me I'm ashamed
I've loved another
I can't explain cause I don't know
No one can take your place
And there is no other
Forever yours and yours alone

[Chorus]

Now I'm in our secret place
Alone in your embrace
Where all my wrongs have been erased
You have forgiven

All the promises and lies
All the times I compromise
All the times you were denied
You have forgiven

{Bridge}

I get down on my knees
Feel your love wash over me

There will never be another
You're the only one forever
And you know I'm yours alone

[Chorus]

Now I'm in our secret place
Alone in your embrace
Where all my wrongs have been erased
You have forgiven

All the promises and lies
All the times I compromise
All the times you were denied
You have forgiven

You have forgiven
