I recall going madly in love with you
And I remember this, how could I forget?
Regret is a needle in my neck
It's slowly filling me with poison, spreading to my chest

Take my pain
And numb me from this

Why do I have to beg?
When all that's left
Is a memory forsaken

Why do I have to beg?
When all that's left
Is a memory forsaken

I recall pledging my sole devotion to you
It reminds me, how now I'm on my knees
My guilt consumes lost the will in me
Wasting away before you, hold me closer please

Take my pain
And numb me from this

Why do I have to beg?
When all that's left
Is a memory forsaken

Why do I have to beg?
When all that's left
Is a memory forsaken

You can break

Forsake, you break me
Forsake, you break me
You're breaking me

I recall going madly
In love with you
And I remember this

Why do I have to beg?
When all that's left
Is a memory forsaken

Why do I have to beg?
When all that's left
Is a memory forsaken
Forsaken

Tell me why?
Why?
Why?
Why?
