I can't escape it,  
Help but celebrate it,  
Brace before i get the shakes  
You're like a drug and  
All I'm thinking of is  
How to get another taste.

[Chorus]

And I was born for this  
And I was born for this  
Yeah i need it, yeah i need it, yeah i need it in my veins.  
Yeah i need it, yeah i need it, Heaven in my veins.

Divinity appeals to my need  
To feed my veins with life  
I cry to God to feel that every nature  
Sink into this piece of life  
And I was born for this  
And I was born for this

[chorus]

Now let me go  
Fly higher and higher  
I lose control  
All of me into you  
Less of me, all of you
