Save me now

Just in time

Just in time

I'm just a step away  
Step away, step away

losing my faith today  
I need a hero

Just in time

I'm just a step away  
I'm just a breath away  
Losin' my faith today  
(Fallin' off the edge today)

I am just a man  
Not superhuman  
(I'm not superhuman)  
Someone save me from the hate  
It's just another war  
Just another family torn  
(Falling from my faith today)  
Just a step from the edge  
Just another day in the world we live  
I need a hero to save me now  
I need a hero (save me now)  
I need a hero to save my life  
A hero'll save me (just in time)

I've gotta fight today  
To live another day  
Speakin' my mind today  
(My voice will be heard today)

I've gotta make a stand  
But I am just a man  
(I'm not superhuman)  
My voice will be heard today

It's just another war  
Just another family torn  
(My voice will be heard today)  
It's just another kill  
The countdown begins to destroy ourselves

I need a hero

Save my life  
Who's gonna fight for what's right  
Who's gonna help us survive  
We're in the fight of our lives  
(And we're not ready to die)

Who's gonna fight for the weak  
Who's gonna make 'em believe  
I've got a hero (I've got a hero)  
Livin' in me

I'm gonna fight for what's right  
Today I'm speaking my mind  
And if it kills me tonight  
(I will be ready to die)

A hero is not afraid to give his life  
A hero is gonna save me just in time

I need a hero

Save me now

I need a hero to save me now  
I need a hero  
I need a hero to save my life  
A hero'll save me (just in time)

I need a hero to save me now  
I need a hero (save me now)  
I need a hero to save my life  
A hero'll save me (just in time)  
I need a hero  
Who's gonna fight for what's right  
Who's gonna help us survive  
save me now

I need a hero  
Who's gonna fight for the weak  
Who's gonna make 'em believe

I need a hero

Save me now

Just in time
