I, I'm invincible
I'm indestructible
It's my destiny
I, I'm invincible
I'm unshakable
Through the truth in my soul

You know you just can't
Kill a man when he's dead
You know the spirit survives
You can't stop the advance
Of the kingdom to come
You know the truth is alive

To be invincible
Is unattainable
Without sacrifice
Feel, feel the birth inside
The life that cannot die
Are you invincible

You know you just can't
Kill a man when he's dead
You know the spirit survives
You can't stop the advance
Of the kingdom to come
You know the truth is alive

Invincible, invincible
You know you can't
Kill a man when he's dead

You know you can't
You know you can't
You know you can't
You know you can't
You know you can't

You know you just can't
Kill a man when he's dead
You know the spirit survives
You can't stop the advance

Of the kingdom to come
You know the truth is alive

You know you just can't
Kill a man when he's dead
You know the spirit survives
You can't stop the advance
Of the kingdom to come
You know the truth is alive

You know you can't
Kill a man when he's dead
