Come and fear the Lord
And quake at his might
Come and bow your knee
And lift His banner high
Jesus be glorified
Jesus be glorified
Jesus be glorified
Jesus be glorified
Come and fear the Lord
And quake at his might
Come and bow your knee
And lift His banner higher
Jesus be glorified
Jesus be glorified
Jesus be glorified
Jesus be glorified
Let the nations sing
Of the goodness of God
And let the people bring
Their lives to the cross
Jesus be glorified
Jesus be glorified
Jesus be glorified
Jesus be glorified
Everyone will see the King of Kings
Ruler of the earth and everything
Everyone will worship
Jesus be glorified
Jesus be glorified
Jesus be glorified
Jesus be glorified
