"Last Night"

You come to me with scars on your wrist
You tell me this will be the last night feeling like this
I just came to say goodbye
I didn't want you to see me cry, I'm fine
But I know it's a lie.

This is the last night you'll spend alone
Look me in the eyes so I know you know
I'm everywhere you want me to be.
The last night you'll spend alone,
I'll wrap you in my arms and I won't let go,
I'm everything you need me to be.

Your parents say everything is your fault
But they don't know you like I know you they don't know
you at all
I'm so sick of when they say
It's just a phase, you'll be o.k. you're fine
But I know it's a lie.

The last night away from me

The night is so long when everything's wrong
If you give me your hand I will help you hold on
Tonight,
Tonight.

I won't let you say goodbye,
I'll be your reason why.

The last night away from me,
Away from me.
