Hey Lucy, I remember your name  
I left a dozen roses on your grave today  
I'm in the grass on my knees, wipe the leaves away  
I just came to talk for a while, got some things I need to say

Now that it's over, I just wanna hold her  
I'd give up all the world to see  
That little piece of Heaven looking back at me

Now that it's over, I just wanna hold her  
I've gotta live with the choices I made  
And I can't live with myself today

Hey Lucy, I remembered your birthday  
They said it'd bring some closure to say your name  
I know I'd do it all different if I had the chance  
But all I got are these roses to give  
And they can't help me make amends

Now that it's over, I just wanna hold her  
I'd give up all the world to see  
That little piece of Heaven looking back at me

Now that it's over, I just wanna hold her  
I've gotta live with the choices I made  
And I can't live with myself today  
Here we are, now you're in my arms  
I never wanted anything so bad  
Here we are for a brand new start  
Living the life that we could've had

Me and Lucy walking hand in hand  
Me and Lucy never wanna end  
Just another moment in your eyes  
I'll see you in another life in Heaven  
Where we never say goodbye

Now that it's over, I just wanna hold her  
I'd give up all the world to see  
That little piece of Heaven looking back at me

Now that it's over, I just wanna hold her  
I've gotta live with the choices I made  
And I can't live with myself today

Here we are, now you're in my arms  
Here we are for a brand new start  
I got to live with the choices I've made  
And I can't live with myself today

Me and Lucy walking hand in hand  
Me and Lucy never wanna end  
I've got to live with the choices I've made  
And I can't live with myself today

Hey Lucy, I remember your name
