I lie here paralytic
Inside this soul
Screaming for you till my throat is numb
I wanna break out I need a way out
I don't believe that it's gotta be this way
The worst is the waiting
In this world I'm suffocating

[Bridge:]
Feel your presence filling up my lungs with oxygen
I take you in
I've died

[Chorus]:
Rebirthing now
I wanna live for love wanna live for you and me
Breathe for the first time now
I come alive somehow
Rebirthing now
I Wanna live my life wanna give you everything
Breathe for the first time now
I come alive somehow

Right now
Right now

I lie here lifeless
In this cocoon
Shedding my skin cause
I'm ready to
I wanna break out
I found a way out
I don't believe that it's gotta be this way
The worst is the waiting
In this world I'm suffocating

[Bridge:]
Feel your presence filling up my lungs with oxygen
I take you in
I've died

[Chorus]:

Rebirthing now
I wanna live for love wanna live for you and me
Breathe for the first time now
I come alive somehow
Rebirthing now
I Wanna live my life wanna give you everything
Breathe for the first time now
I've come alive somehow

Tell me when I'm gonna live again
Tell me when I'm gonna breathe you in
Tell me when I'm gonna feel inside
Tell me when I'm gonna feel alive

Tell me when I'm gonna live again
Tell me when this fear will end
Tell me when I'm gonna feel inside
Tell me when I'll feel alive

[Chorus]:
Rebirthing now
I wanna live for love wanna live for you and me
Breathe for the first time now
I come alive somehow
Rebirthing now
I Wanna live my life wanna give you everything
Breathe for the first time now
I've come alive somehow

I've come alive somehow
