Still, soft quietly spoken voice  
That persistently calls my name  
And quickens my heart to come  
And I come

And I rest in the shelter of Your love  
And I rest in the wonder of Your grace  
And I rest in the shelter of Your love  
And I rest in the wonder of You, yeah

Embraced in the promise of You  
Is rest for the weary soul  
Releasing all that is mine  
I reach for You

And I rest in the shelter of Your love  
And I rest in the wonder of Your grace  
And I rest in the shelter of Your love  
And I rest in the wonder of You

Take all the old and You make it new  
Everything I give to You  
You're the hope that can pull me through  
Hallelujah

And I rest in the shelter of Your love  
And I rest in the wonder of Your grace  
And I rest in the shelter of Your love  
And I rest in the wonder of You

And I rest in the shelter of Your love  
And I rest in the wonder of Your grace  
And I rest in the shelter of Your love  
And I rest in the wonder of You

And I rest in the shelter of Your love  
And I rest in the wonder of Your grace  
And I rest in the shelter of Your love  
And I rest in the wonder of You
