I remember when  
We used to laugh  
About nothing at all.  
It was better than going mad  
From trying to solve all the problems we're going  
through.  
Forget 'em all.  
Cause on those nights, we would stand and never fall!  
Together, we faced it all.  
Remember when we'd...

Stay up late and we'd talk all night  
In a dark room lit by the t.v. light.  
Through all the hard times in my life,  
Those nights kept me alive.

We'd listen to the radio play all night;  
Didn't want to go home to another fight.  
Through all the hard times in my life,  
Those nights kept me alive.

I remember when  
We used to drive  
Anywhere but here,  
As long as we'd forget our lives.  
We were so young and confused that we didn't know  
To laugh or cry!  
Those nights were ours,  
They will live and never die.  
Together, we'd stand forever.  
Remember when we'd...

Stay up late and we'd talk all night  
In a dark room lit by the t.v. light.  
Through all the hard times in my life,  
Those nights kept me alive.

We'd listen to the radio play all night;  
Didn't want to go home to another fight.  
Through all the hard times in my life,  
Those nights kept me alive.

Those nights belong to us.  
There's nothing wrong with us!  
Those nights belong to us...

I remember when  
We used to laugh...  
And now I wish those nights would last.

Stay up late and we'd talk all night  
In a dark room lit by the t.v. light.  
Through all the hard times in my life,  
Those nights kept me alive.

We'd listen to the radio play all night;  
Didn't want to go home to another fight.  
Through all the hard times in my life,  
Those nights kept me alive.

Stay up late and we'd talk all night  
In a dark room lit by the t.v. light.  
Through all the hard times in my life,  
Those nights kept me alive.

We'd listen to the radio play all night;  
Didn't want to go home to another fight.  
Through all the hard times in my life,  
Those nights kept me alive!

Those nights belong to us!  
There's nothing wrong...
