As I fall to sleep  
Will you comfort me  
When my heart is weak  
Will you rescue me

Will you be there  
As I grow cold  
Will you be there when I'm falling down  
Will you be there

When I'm in retreat  
Can I run to you  
Will my pain release  
At your mercy seat

*[CHORUS:]*

Will you be there  
As I grow cold  
Will you be there when I'm falling down  
Will you be there  
My heart grows cold  
Will you be there when I'm falling down

Are you saying yes  
I gotta believe it  
Are you saying yeah  
When your love comes down I can rest my eyes  
Feel your grace and power flood into my life  
As my brokenness and your strength collide  
When your love comes down  
Falling Down

As I fall to sleep

*[CHORUS]*

As I grow cold

Will you be there  
My heart grows cold  
Will you be there when I'm falling down
