You're powerful
You're unshakeable
You're powerful
You're unshakeable

You wreck me
You rule me
You turn me upside down
You know

Your glory
Pervades me
You conquer
Without a sound

You're powerful
You're unshakeable
You're powerful
You're unshakeable

You shake me
You break me
You make me whole again
You know

Your nature
Unchanging
All fails
But You remain

You're powerful
You're unshakeable
You're powerful
You're unshakeable

And when the ground begins to shake
And when my courage starts to fade
I let my fears go

When You breathe
The lifeless rise up, invade me
With violence and heal me

You're powerful
You're unshakeable
You're powerful
You're unshakeable

You're powerful
You're unshakeable
You're powerful
You're unshakeable

You're powerful

You're mighty
You're the ultimate powerful
