"Getting Away With It"

Visit "[Getting Away With It](#)" on MotoLyrics.com

I've been walking in the rain just to get wet on purpose
I've been forcing myself not to forget that I feel worse

I've been getting away with it all my life
Getting away with it all my life

However I look it's clear to see
I love you more than you love me

I hate that mirror, it makes me feel so worthless
I'm an original sinner but when I'm with you I couldn't
care less

I've been getting away with it all my life
Getting away with it all my life

However I look it's clear to see
That I love you more than you love me
