(feat. Sevendust)

Corrupt my hope  
In joyous hell  
Between the lines  
Lick the cream that smells

I wish you weren't so beautiful in my eyes  
(crawling down your spine to make you stay)  
I wish you weren't so beautiful in my eyes  
(covering your eyes to make you pay)

Beyond the high  
Lies burning eyes  
Crashed down to soil  
Fucked up and coiled

I wish you weren't so beautiful in my eyes  
(crawling down your spine to make you stay)  
I wish you weren't so beautiful in my eyes  
(covering your eyes to make you pay)

Too beautiful

(repeat)

You want to feel it  
But you can't reveal that  
Conceived the meaning  
And caress the demon  
All those callous eyes  
How they infect you world  
So you pretend to reason  
But you've lost your soul

I wish you weren't so beautiful in my eyes  
(crawling down your spine to make you stay)  
I wish you weren't so beautiful in my eyes  
(covering your eyes to make you pay)  
You shouldn't be so beautiful in my eyes  
(crawling down your spine to make you stay)

I wish you weren't so beautiful in my eyes  
(covering your eyes to make you pay)

Too beautiful

(repeat)
