"Purple"

Purple washes over me
Seeping through my open seams
I'm stained all over

You pretend we started again
Waiting for me to say when
But i say purple

She won't go
Where i
I would go for you
I'd curse my heart
For you

Silence makes a girl talk fast
Speeding but i'm gonna crash
And burn for love's sake

Duty keeps a lover loyal
But is it really worth the spoils
When i dream purple

She won't go
Where i
I would go for you
I'd curse my heart

She won't go
Where i
I would go for you
I'd curse my heart
For you

She won't go
Where i
I would go for you
I curse my heart

She won't go
Where i
I would go for you

I curse my heart
For you
For you
For you
