(J. Strummer, M. Jones; originally performed by The Clash)

Darling you've got to let me know, should I stay or should I go

If you say that you are mine, I'll be here 'til the end of time

So you got to let me know, should I stay or should I go

It's always tease, tease, tease, you're happy when I'm on my knees

One day is fine, the next is black, so if you want me off your back

Well come on and let me know, should I stay or should I go

Should I stay or should I go now, should I stay or should I go now

If I go there will be trouble, if I stay it will be double

So come on and let me know

This indecision's bugging me (...)

If you don't want me, set me free (...)

Just who the fuck am I supposed to be?

(I think you'll find that you are friendly)

Don't even know which clothes'll fit me (...)

So come on and let me know (...)

Should I cool it or should I blow (...)

(Solo)

Should I stay or should I go now (...)

Should I stay or should I go now (...)

If I go there will be trouble (...)

If I stay it will be double (...)

So you gotta let me know (...)

Should I stay or should I go (...)

Should I stay or should I go now (...)

If I go there will be trouble (...)

And if I stay it will be double (...)

So you gotta let me know (...)

Should I stay or should I go?
