(M. Gray, N. MacDonald)

The sands of time slip away, the pages turn day by day
And every night I pray for you, your guiding light sees
me through

Love lasts forever, it never ends, one day in heaven
we'll meet again

Chorus:

On the wings of an angel, you will fly
The tears of a nation, we hear them cry
The words that you gave us still carry on
And a new generation will sing your song
On the wings of an angel

You're in my heart and in my soul, emotions I just can't
control

Memories will never die, the fire still burns, it keeps you
alive, you alive

Love lasts forever, it never ends, one day in heaven
we'll meet again

(chorus)

(Sing your song), sing your song (sing your song)

Oh Lord (sing your song), will sing your song

Will sing your song

(Solo)

On the wings of an angel

On the wings of an angel
