f/little kim

Chorus:

Baby just stop (I'm so tired of playin')

stop (no more games)

Baby just stop (I'm so tired of playin')

stop (no more games)

I'm on my way out

so many things that you've done wrong

you've fooled, you lied, cheated

now my love is gone

and I gave you all I had in this world

now I'm happy to say you're not needed for my girl

I can remember days you were going to the movies

my best friend said he saw you

and you were not with me

now I don't want no explanation

don't give me no excuse

girl I'm cutting you off now

for your constant love abuse

Repeat chorus

I gave you all the lovin' that you wanted baby

and even though I tried it wasn't enough for you lady
my heart was all that you needed
and now it's over and it's time for you to deal with it

Little Kim's rap:

baby, it's the finest, dimest
what you talkin' 'bout you wanna wine this
get to know me

I need that full metal jacket
like Tom Hanks banks the chips
be out pack the clips

Junior M.A.F.I.A. sticks
any nigga tryin' disrespect who I be
cuz I roll with B.I.G.

in the 6 double o XL
shoes from chanel

I be that female
can't you tell living well

parasuco full of lucho
little kim be solo, papi chulo

wanna see me smile
pop the cristal

so I can get my drink on
and get skindeep on you creeps
tryin' to do me

by taking me to dinner and the movies

you jus a big silly frontin' willy

baby bro, you got to go

don't take it personal

kill the games

it's just one a them things

Repeat chorus to fade
