My Calm
My Drug
My Justice
My Saviour

My killer
My Mirror
Confessor
& Lover

my calm [truth and lies], my drug [desensitise me]
my justice [shaping minds], my saviour [educate me]
my killer [truth and lies], my mirror [desensitise me]
confessor [shaping minds] and lover [educate me]

Fill me up with drugs
Enough to see behind the lies.
Wash me out to clean my doubts
Away from off my mind.

Solid state pacifier
Beaming in tranquillise me
Super cool by direction
Keep in line, you're intention.

Smoother than straight oppression
Shaping minds by direction
TV's soon mother, teacher
Full control pushing nearer

Truths and lies
Desensitise me
Shaping minds
& educate me.

Solid state pacifier
Beaming in tranquillise me
Super cool by direction
Keep in line, you're intention.

Smoother than straight oppression
Shaping minds by direction

TV's soon mother, teacher
Full control pushing nearer
