See I just left the barber, so I'm nothing but love  
Feeling fresher than a oj in the gang  
just got on my new , something never seen before  
and they're looking like I'm supposed to be ashamed  
I heard them say I ain't hood no more  
But I bet you're not one of them test my heart  
This money I make, and I work hard  
And I won't forget the law ..., cause I still got my stripes  
and I'm a star  
I heard them say I ain't hood no more  
But I bet you're not one of them test my heart  
This money I make, and I work hard  
And I won't forget the law ..., cause I still got my stripes  
and I'm a star  
...sipping on this new shit  
Either join a pimp I stay right where you are  
Told , I would make it then let non take it  
, I never would of fall  
I heard them say I ain't hood no more  
But I bet you're not one of them test my heart  
This money I make, and I work hard  
And I won't forget the law ..., cause I still got my stripes  
and I'm a star  
I heard them say I ain't hood no more  
But I bet you're not one of them test my heart  
This money I make, and I work hard  
And I won't forget the law ..., cause I still got my stripes  
and I'm a star

Losers loose, beggars beg, winners win, , again  
riders ride, players play, I made it out so nigger say  
I heard them say I ain't hood no more  
But I bet you're not one of them test my heart  
This money I make, and I work hard  
And I won't forget the law ..., cause I still got my stripes  
and I'm a star  
I heard them say I ain't hood no more  
But I bet you're not one of them test my heart  
This money I make, and I work hard  
And I won't forget the law ..., cause I still got my stripes  
and I'm a star

...you gotta do what I done.
