You ain't gotta wait in line
And if they ask about me, ask about me
I'ma say yeah, that's my boy
You ain't gotta wait in line
And if they ask about me, ask about me
I'ma say yeah,

Turn off your phone, you're with me now
Play your mind, call me selfish if you want
I don't care
Stare in my eyes, read every , in my head
If you're halfway to lover's land, I'm there
Baby, baby I just wanna know that I got all your
attention
I just thought that I mention
Make room for you and me
And I just want you to see
That if you're willing I'm ready
Down for anything baby
Just want you all for me, uh

You ain't gotta wait in line
And if they ask about me, ask about me
I'ma say yeah, that's my girl
You ain't gotta wait in line
And if they ask about me, ask about me
I'ma say yeah,

You see, I'm off for loving real heavy
Only with you yeah I'm ready
Just lay with me, oh, right there, mhm
Let's make it so you remember
All the pleasure that I'll show you
It's my dream
I just wanna know I got all your attention
I just thought that I mention
Make room for you and me
I just want you to see
If you're willing I'm ready
Down for anything baby
Just want you all for me, uh

You ain't gotta wait in line
And if they ask about me, ask about me
I'ma say yeah, that's my boy
You ain't gotta wait in line
And if they ask about me, ask about me
I'ma say yeah,
If you see somebody that could be
Special don't you let him leave
Let him know, you know just what to do, yeah
Grab him by the hand and go
Nothing loose let him know
Don't let him go, point him out and say
You, you, you, you.
