You belong in a crazy home
And I'd probably would join you tonight
Cause half of you fulfills my dreams
The other half is ready seen
And don't wake anybody out of this sleep

2 face stranger, I feel danger, when you're anger
, makes you happy , up just wanan be ,
Always , when , you don't wanna ,
First you love me, then you hate me
, bi polar, bi polar, baddest girl I've ever seen
Bi polar, bi polar , what I need
, bi polar, bi polar, baddest girl I've ever seen
You this, I'm this, I'm that, you that

Maybe I made you like this, , say
, off like , I'm going insane
2 face stranger, I feel danger, when you're anger
, makes you happy , up just wanan be ,
Always , when , you don't wanna ,
First I love you, then I hate you
, bi polar, bi polar, baddest girl I've ever seen
Bi polar, bi polar , what I need
, bi polar, bi polar, baddest girl I've ever seen
Bi polar, bi polar , what I need .
