She wears all black and no one knows her name  
And she always slips out at night, out at night  
I waste 10 steps up ahead her again  
She don't just walk, best believe she bites  
Girl lets lonely hearts then breaks them in 2  
Now she's got mine  
They say once you're caught there's no way but to  
loose  
Love fugitive

She breaking the love, she stolen my heart, whoa  
Bring up the lights, my fugitive warning  
It's like a dog chasing the cat  
All the , cause she's mine, love fugitive

Everywhere I go, her face is on the screen, screen  
But I don't want the reward, no, no  
When I'll find her, I'll just , her by me  
Cause I know she wants love and that's all she needs  
I'll let her home my heart long as she wants to, she  
knows what to do with it  
All she had to do was say please,  
And I make her all happy, love fugitive

She breaking the love, she stolen my heart, whoa  
Bring up the lights, my fugitive warning  
It's like a dog chasing the cat  
All the , cause she's mine, love fugitive.
